---

The next formula conference call is scheduled for June 18. This conference call will be an update and review session. We plan to have a question and answer session over any issues that local agency staff have regarding formula issuance. A few of the prepared topics will be:

- Enfamil AR issuance clarification;
- Appropriate issuance of EnfaCare or NeoSure for an infant who was not born prematurely and;
- When to call the state vs. calling the physician.

If you have any particular issues that you would like to have addressed at this conference call, you may email Roxanne Robison, R.D., Nutrition Consultant for Children with Special Health Care Needs, at [Roxanne.Robison@tdh.state.tx.us](mailto:Roxanne.Robison@tdh.state.tx.us) or contact Patti Fitch, Clinical Nutrition Coordinator, at (512) 458-7111, extension 3598.
